

# TOOWOOMBA ART SOCIETY Inc. DRAWN FROM LIFE

This is TAS's third LIFE DRAWING exhibition. Members attend Monday evening classes, led by Mike Grice (6:30-8:30pm) or draw on Thursdays (1-3pm) under the guidance of Allan Bruce. Class members bring a range of experience from raw beginners to retirees discovering drawing again to practising artists.

Each class has its own supportive ambience and undertakes short sketch exercises, as well as longer (20min) studies. Works are created in many chosen mediums - charcoal, graphite, pastel, watercolour etc. Many pieces presented here come straight from the easel, but sometimes more detailed work is done to them at a later date.

Exhibiting members are pleased to show work done since our last exhibition in Aug/Sept last year. We hope you enjoy browsing around our latest exhibition.
